

Dance North West

Intermediate Workshop

- * **Would you like to improve your dancing?**
- * **Would you like the chance to meet other new dancers?**
- * **Would you like to learn in a smaller group?**

Then a workshop is for you. A chance to learn Modern Jive in a small group of about 10 men and 10 women. You will get close tuition from your Instructor. It's friendly and relaxed with plenty of chances to ask questions. You have plenty of time to practice all the moves you are taught and of course have some fun along the way. You will learn up to 10 Intermediate moves and also look at footwork, style, rhythm, posture and turns. Also we will spend time developing your free dancing skills. The classes normally start at 12.00 till 4pm with short breaks but this will be confirmed to you at time of booking.
